

# TSC Vilseck Vision

To gain the trust and confidence of the Tactical Commanders within RTSC Grafenwoehr's AOR by becoming part of the extended Staff being experts on Home Station Training & enhancing all Soldier support systems.

## Strategic Goals

- Provide proactive, relevant Training Support to units training in the RTSC Grafenwoehr's AOR via the TSC structure
- Deliver requisite and timely training enablers and services through the Training Support System; enhance enablers to better reflect the COE.
- Deliver requisite and timely VI resources and services through the Visual Information Program
- Establish RTSC Grafenwoehr's as a leader in creating and maintaining a sound and cooperative work environment.

# TRAINING SUPPORT CENTER

## MISSION

Identify, acquire, manage, and sustain training resources required to provide state-of-the-art training support to both tenant and deployed units in the TSC Vilseck Area of Operations.

Training Support Center Vilseck is the TSC of choice for Army Soldiers and civilians in Europe for visual information services, products, and support. We provide unmatched customer service and quality products through the knowledge, specialized skills and abilities of our courteous VI staff. We possess the technical proficiency, dedication to duty and teamwork to provide rapid and reliable VI Support. We measure our success by the level of our client satisfaction.
