

Spring clean-up 4-8 May 09

1. Execution community-wide facelift, with collection and removal of trash and debris.
2. **Phase I** – begins 4 May, Housing Areas and Soldiers' Quarters (Barracks). Soldiers in Government quarters will report to Area / building Coordinators; report times (1300hrs UTC) is the normal standard. Focus entire building (basement, washroom, storage room, ect) and a 50 foot perimeter around the building and the common area. Soldiers whom live in the Barracks same procedures they will report to the barracks NCOIC.

Primary – dates 4 – 5 May 09 -

- Bulk pick-up (Items, that are too large to fit into a normal car trunk) on post **Vilseck residents** will be on 7 May 09 for on post housing areas and 8 May 09 for troops barracks. Items will be placed by consolidation points in each cul-de-sac or taken to the recycling center, sign will be posted NLT 31 April 09.
 - Bulk pick-up on post **Grafenwoehr** (For housing & the barracks) will be on 5 & 7 May 09, items will be placed by their trash receptacle or taken to the recycling center.
 - Off post Bulk pick up this is maintained by the County you live in, not the Army, for your housing area pick-up dates call Utilities Branch DPW DSN 475-6444 for the folks on the Grafenwoehr and DSN 476- 2600 for the Vilseck side.
 - For all communities within the County of Neustadt all dates are indicated in their individual "Pickup schedule of refuse/recyclable material".
 - For communities from the Country of Tirschenreuth (Kulmain & Kemnath) Bulk pick-up is only performed via written request only.
 - Broken play ground equipment **off post** is the responsibility of the house manager of that housing area and should be reported to the housing office by the Area Coordinators
3. **Phase II** – begins 6 – 7 May, Units, Agencies, all facilities to include company operations and motor pools areas of responsibilities i.e (Any bldg/motor parks occupied your folks) Sweeping parking lots and curbs, mowing, trimming, policing trash, racking leafs/foilage basically area beautification. This also includes Units Adopt-An-Area cleanup program which applies to Tenant units only.
 4. **Phase III** – begins 8 May Inspection Phase to be conducted by the Garrison CSM, Garrison Business Manager and Installation Coordinators.

SPRING CLEAN-UP Guidelines (4-8 May)

Folks it's that time again - time to clean-up our outdoors living area.

Guidelines for clean-up:

- Cut grass, rake leaves, pick-up branches and pull weeds.
- Pick-up paper and other trash from areas surrounding buildings.
- Remove weeds and grass from cracks in sidewalks (DPW doesn't provide this service anymore), curbs and gutters and adjacent to buildings.
- In general, make housing areas, Soldiers quarter's areas, and work areas neat and orderly in preparation for the spring season.

Disposal:

- Cut grass, trimmings, leaves, branches, weeds, etc.. must be brought to the collection points. They are next to most recycling centers here in Grafenwoehr. For those without a collection point, bags of grass/leaves must be taken to the collection point across from the Army Vehicle Wash Rack off of the tank trail (exit Gate 9, then take a left.) For Grafenwoehr facilities/Agencies, you can request a Cage Basket be brought to your bldg. for your leaves etc., just by calling Buildings & Grounds at DSN 475-8641.
- For those of you in Vilseck the collection points are across the street from the DPW Self-help store for composting.

NOTE: Do not leave compost in plastic bags.

Bulk pickup – Grafenwoehr on post only will be on 05 and 7 May 09 in the housing and troop barracks areas. Bulk trash will be placed next to recycling centers.

Vilseck on post only will be 07 May 09 in Vilseck housing areas and 08 May 09 for troop barracks areas. Bulk trash will be placed where bulk trash signs are located.

For additional information contact SFC Clamage (Grafenwoehr) 475-1500, SFC Hargis (Vilseck), 476-1500.

Have fun and enjoy some fresh air.
